

## ARROW-TECH, INC. WARRANTY

**ELEMENTS OF WARRANTY:** This limited warranty covers all materials and craftsmanship in this product to be free from defects for a period of two years on Arrow-Tech, Inc. direct-reading dosimeter and one-year on Arrow-Tech Inc. manufactured products with only the limitations or exclusions set out below. For products that are distributed by Arrow-Tech, Inc. the manufacturers warranty shall apply.

**WARRANTY DURATION:** This warranty shall terminate and be of no further effect two years after the original date of purchase of the product or at the time the product is: a) damaged or not maintained as is reasonable or necessary, b) modified, c) repaired by someone other than warrantor for a defect or malfunction covered by this Warranty, or d) used in a manner or, purpose for which the instrument was not intended or contrary to the written instructions. This warranty does not apply to any product subject to corrosive elements, misuse, abuse, or neglect.

**STATEMENT OF WARRANTY:** In the event that the product does not conform to this warranty at any time while this warranty is effective, the Warrantor will either repair or replace the defective product and return the instrument to you prepaid, without charge for parts or labor.

**NOTE:** While the product will be remedied under this warranty without charge, this warranty does not cover or provide for the reimbursement or payment of incidental or consequential damages arising from the use of or inability to use this product. The liability of the company arising out of the supplying of the instrument, or its use, whether on warranties or otherwise, shall not in any case exceed the cost of correcting defects in the instrument, and after the said two year period, all such liability shall terminate. Any implied warranty is limited to the duration of this written warranty.

### **PROCEDURE FOR OBTAINING PERFORMANCE OF WARRANTY:**

In the event that the product does not comply with this warranty, please contact Arrow-Tech, Inc. or your distributor.

**NOTE:** Before using this instrument, the user must determine the suitability of the product for his or her intended use. The user assumes all risk and liability connected for such use. Should your instrument ever need servicing, please contact Arrow-Tech, Inc. or your distributor. If you have further questions contact the address below.
